

**The 2021 Golf Season is Here!
Lets Play!!!!**

The Course will Open April 1:

We are excited that spring is almost here with only snow twice a week. We opened the Proshop March 16th and hope to have the course set up April 1st. We are excited to see all of you at the beginning of what we hope will be great summer of golf. You can also join us for Tuesday Martini's or on the Adirondack deck to enjoy a beverage and the view.

MSGA Handicap:

MSGA has changed systems again this year, moving to the GHIN system. This is good news as we are now on the same system as 99% of the USA and abroad. All your records have been transferred forward and the system is fairly easy to use. We can get you started at the course kiosk, then you can do it from your computer or mobile device. You will also be able to post "off-Montana-season" scores if you travel south for or during the winter.

The Course:

The course appears in good condition for early spring. While we don't have any significant projects planned, we are going to attempt to level and enlarge a few tee boxes this season. Once everything is in place, we will post dates for the work and would appreciate any volunteers.

New Again:

JSGC has had several requests to bring back the 'round-robin' matchplay format this year. We will have a few options for dates and ask for input from you. If we can get it coordinated, it will be a great time.

For Fun:

Monday Men's Night and Thursday Ladies Night are all for fun. It's a good time to laugh with your friends, enjoy a nice evening outside and practice your game.
